*material* means: ideas, words, code, suggestions, corrections on one's work, etc.

- Using someone else's material may be appropriate
  - ▶ e.g., software libraries
  - ▶ ***always clearly identify the external material, and acknowledge its source; failing to do so means committing plagiarism.***
  - ▶ the work will be evaluated based on its *added value*

- Committing plagiarism on an assignment or an exam will result in ***failing that assignment or that exam***
- Penalties may be escalated in accordance with the regulations of the Faculty of Informatics
